

ONE TEXTILE CO.

GOVERNMENT CAPABILITY STATEMENT

Minority-owned vertical US knit fabric manufacturer · Yarn to garment · Southern California + Guatemala

onetex1.com
(310) 736-9345
daniel@onetextileco.com

CORE COMPETENCIES

- Vertical knit fabric production: yarn sourcing, circular knitting, dyeing & finishing, inspection — all in-house
- Berry Amendment programs: 100% US fiber, knit/dyed/cut/sewn in US — approved for DoD textile contracts (0% duty)
- Buy American Act: 65% US-content compliant fabric with documented chain of custody, yarn through finished goods
- Heavy fleece 260–500gsm, jersey, rib, waffle, hacci; FR, wicking, stain-repellent, garment dye, PFD treatments
- Full-package garment production (cut, sew, embroidery, screen print, sublimation) — US or CAFTA/USMCA
- 4-week domestic lead time on US-made fabric; bonded warehousing for fast DC delivery

DIFFERENTIATORS

- One of the few remaining fully vertical knit mills in the United States — every step under one ownership
- Own dyehouse (Color Fashion, Anaheim CA) and knitting facility (Bonatex, Los Angeles CA)
- Operating under the strictest environmental, labor, and commercial regulations in the US (California)
- 30+ years and two family generations of American textile manufacturing; minority-owned small business
- Tariff engineering expertise: Berry, BAA, Schedule 807A, Partial CAFTA / USMCA program design

CERTIFICATIONS & REGISTRATIONS

- Berry Amendment compliant
- Buy American Act (BAA) compliant
- SAM.gov registered
- CBE — LA County certified
- ITA Made in USA
- SBA registered small business
